COMMISSIONERS' REPORT

To the Citizens of Sullivan County:

The Commissioners of Sullivan County submit their Annual Report for the year ending December 31, 1925, together with the reports of the Superintendent of the County Farm and House of Correction, Treasurer, Clerk of Superior Court, Sheriff, Solicitor, Chaplain, Physician and Auditors for the fiscal year ending Dec. 31, 1925.

We wish to express our appreciation for the faithful service of Mr. and Mrs. O. A. Putnam as Superintendent and Matron of the County Farm. To the other County Officers and to the Selectmen and Overseers of Poor of the several towns, we wish to thank them for service rendered the Commissioners.

On February 27, 1925, the Commissioners submitted to the County Convention, then in session, plans and specifications made by Hira R. Beckwith, architect for changes considered necessary at the Court House. The changes suggested in the plans provided for a new vault for the Register of Probate, enlarging the vault in the Register of Deeds office, providing a room for the Judge of Superior Court; one for the Judge of Probate and one for the Sheriff.

The Convention after considering the plans and specifications voted to raise and appropriate the sum of seven thousand dollars (\$7,000.00) to make the changes required. Mr. Hira R. Beckwith was employed to take charge of the work and carried it to completion in a very satisfactory manner.

Respectfully submitted,

HENRY C. SANDERS,
FREDERICK W. AIKEN,
FRED A. BARTON,

Commissioners of Sullivan County.

In closing our nineteenth annual report of the Sullivan County Farm, there is very little to be said as the statements are quite similar from year to year, but once again we wish to express our sincere thanks to our worthy Commissioners, Doctor, Chaplain, for the

considerate courtesy and assistance which we have received in helping us to perform our duties at the farm, and all others who have showed interest in the inmates and County affairs.

Respectfully submitted,

OLIVER A. PUTNAM,
Superintendent.

SUSIE J. PUTNAM,
Matron.

CHAPLAIN'S REPORT

To the Honorable Commissioners of Sullivan County:

It was with much trepidation that I assumed the duties of the Chaplaincy at the County Almshouse last May, because of my inexperience in such service, and fear lest I should not be able to adequately fill the position.

I herewith tender my report from May 1 to Dec. 31, 1925.

I have endeavored to continue the custom of my predecessors in office, by holding a religious service each alternate Sunday afternoon. I have been obliged to omit a few services, on account of sickness, and inclement weather conditions, in each case taking up the work again on the succeeding Sabbath.

For the most part I have been listened to with quiet attention, have received some words of appreciation, and received marked courtesy from officials, and inmates.

The only incident at which courtesy was withheld, (and this was more humorous, than serious,) was when one woman prisoner refused to shake hands, because forsooth, I was a minister of another church than hers.

I have not been called upon to officiate at any funerals during these months.

My heartfelt thanks are due, and are hereby extended to Mr. and Mrs. Putnam and their helpers, for a cordial, even friendly reception as a stranger at the beginning, and unfailing good will and courtesy always, and also for their evident desire to make my duties as easy and pleasant as possible.

My desire has been, in this ministry, so to present the claims of the Christian life as to appeal to the highest, noblest aspirations of all who listened, and for the opportunity, thus to serve, I am indebted to you and and thank you.

Most Respectfully,
HARVEY C. SAWYER, Chaplain.

SOLICITOR'S REPORT

Claremont, N. H., January 1, 1926

To the Commissioners of Sullivan County:

At the March, 1925, term of the Superior Court indictments were returned and entered in Court against four defendants. One of these served time for obtaining money by means of a false check. The other three pleaded guilty to grand larceny.

In September, indictments were found and entered against ten defendants. In a manslaughter case the defendant was sentenced to a term of two to three years in state prison. The other offences included obtaining money under false pretences, larceny and breaking and entering and committing larceny. All of said defendants were convicted. There were two trials by jury at this term, both being liquor cases and resulting in convictions.

At both terms the usual number of appealed cases was disposed of.

The only case on the continued docket is an unimportant appealed case of assault.

Respectfully submitted,

F. W. JOHNSTON, Solicitor.
